

## Attend a free Medicaid Planning seminar!

What will happen to your family and your money if you go into a nursing home? Did you know that more than 40 percent of all seniors will spend time in a nursing home, and that in Michigan, the average nursing home bill comes to over \$6,000 per month? But, there are sound, proven legal and financial strategies that can preserve your assets from nursing home costs, even if you or your loved one has already entered a nursing home.

**Don't miss this free seminar. Two days only!**

Wednesday, April 22, 2009

## Financial Downturn Coupled With Changing Estate Tax Rules Mean It's Time to Review Your Estate Plan

Many people have a lot less money than they used to, and one of the Obama administration's main priorities is to make the estate tax permanent before it expires at the end of the year. Now makes a good time to check to make sure that your documents are doing what you intended.

## Reevaluate Insurance Needs When You Retire

Along with many other changes, your insurance needs change when you retire. It is a good idea to look at your insurance options and figure out what you need or don't need and where you might be able to achieve some savings.
